POSITIONS/RECOMMENDATIONS

<p>For many years Janis Pitsch actively maintained landscape planting areas along Sheridan Boulevard near her residence on West Summit Boulevard. She passed away in 2008. Her estate planning included placement of funds with the Lincoln Community Foundation (LCF) with the intent that a portion of the funds be used to care for and enhance green spaces along Sheridan Boulevard. Parks and Recreation staff have worked with LCF staff to improve landscape plantings in three areas and to provide for their ongoing care:</p> <ul style="list-style-type: none"> - center of the round-a-bout at So. 33rd & Sheridan Blvd; - landscape planting at the west end of the Sheridan Blvd bridge of the Rock Island Trail; and - landscape planting in the green located on the south side of Sheridan Blvd. between West Summit Blvd. and East Summit Blvd. 	Sponsor	Parks & Recreation

<p>An endowment has been established with the Lincoln Community Foundation to provide for ongoing care of these three landscape areas, and for replacement of landscape plantings as needed over time. The Parks & Recreation Advisory Board has recommended that the green located south of Sheridan Blvd. between West Summit Blvd. and East Summit Blvd. be named "Jan Pitsch Green" in recognition of establishment of this endowment fund. This recommendation is consistent with naming guidelines for parks and recreation facilities that state that a facility may be named in recognition of establishment of an endowment for ongoing care of the facility.</p>	Staff Recommendations	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against Reason Against
